A screenshot of a file download interface. On the left, there is a blue folder icon with a white cloud inside. Below it, a rating of 6.4 is shown with five stars and the text "2865 VIEWS". On the right, the text reads "File was found and ready to download!" followed by "UPDATED 14 HOURS AGO". Below this, it says "Fastest Source: useenet.nl" with a checkmark icon. A line of text instructs the user to "Click the download button and select one of the found cloud sources." A prominent blue "Download" button with a white download icon is positioned below the text. To the right of the button, it says "SECURE SCANNED". At the bottom of the interface, there is a message: "You need to log in before you can post comments." Below this message are three icons with labels: "Navigation" (a blue icon of three horizontal bars), "Registration" (a blue icon of a folder with two people), and "FAQ" (a blue icon of a lifebuoy).
