"This is a very well designed and easy to use app, with a nice layout and intuitive controls, which makes it even better than most. A few extra tips and facts would be nice, to move it up even further, but I still gave it a 5 star rating, because of the very fair price."- R.M., MD "Great app for students and healthcare providers. I love how you can change the background color and turn on/off layers."- L.M., MD
